

Come and join us!

The Marshall Area Farmers' Market Community will be mixing it up a little this season. **Summer Market opens on Saturday, May 7 with the hours from 8:00am to 1:00pm.** This year, the group is introducing "**2nd Saturday ART at the MARKET**", which will be held on May 14, June 11, July 16, Sept. 10 and Oct. 8. ***"Marshall's Area Farmers' market recognizes the opportunity to support the areas artisan vendors." Market Manager, Pam Wolfersberger said. "This is a wonderful way to provide space for our artisan community to showcase and sell their creations." "You can shop the farmers' market vendors for your fresh produce, meats, breads eggs and more! Then have another local shopping experience by visiting the artisan booths to see the product of their amazing talent, available for purchasing."***

Please note that this is a juried program. Our goal is always to make sure we have a broad representation of media, so that everyone has a fair chance to participate and have successful days. **2nd Saturday "ART at the MARKET" is striving to highlight a good variety of high-quality artisan products.** To accomplish this the number of vendors selling like products in each of the following categories may be restricted:

Fiber Arts/Clothing	Artwork	Live Plants	Photography/Paper Products
Ceramics/Pottery	Jewelry	Home Decor	Mind/Bath/Body
Floral Wreaths	Fabric Arts	Leatherwork	Metal & Wood Media
Prepared Foods			

Artisans are persons who craft with their own hands the products they offer for sale. Artisans must create their craft products in Michigan. All works must be original to the artisan. Twenty five percent or less may be made by another family member but must be declared when selling. **Please disclose on vendor application.**
