

NON-PROFIT ORGANIZATIONS AND COMMUNITY GROUPS MARSHALL AREA FARMERS' MARKET POLICY AND REGISTRATION FORM

The Marshall Area Farmers Market does allow non-profit organizations to have space at the Market in a designated area that will be determined and assigned by the Market Manager. Political activities are not included.

All groups are required to submit the "Non-Profit Organizations and Community Groups Registration" form and pay the \$20.00 registration-processing fee before requesting a space at the Marshall Area Farmers' Market. If the desired date is not available, the fee will be returned. The permit is good for the current market season only which is approximately Mid-May through October annually

Two booths are set aside each Market Day - for community and non-profit organizations and for special events at the market. Each registered organization may reserve two days at the market during each season; additional days may be provided if the two booths are not reserved by others. All non-profit groups must provide the Market Manager with satisfactory proof of the organization's non-profit status and his/her position as a representative of the organization. The Market Manager reserves the right to require proof that the fund-raising proceeds will go directly to the sponsoring organization on whose behalf the fund-raising items have been sold.

Sale of items, approved ***in advance*** by the Market Manager, that are related to or in support of participating organizations for fund raising purposes is permitted. Only those items related to the organization by nature of their being officially branded, usually by inclusion of the organization's logo, will be approved. Examples of items that will be allowed are Relay for Life luminaries, Girl Scout cookies, Boy Scout Popcorn, Blues Festival t-shirts, or group cookbooks, etc. Food items to be sold must meet the requirements of Michigan Department of Agriculture and Rural Development of the Michigan Cottage Law. Organizations are strongly advised to discuss their plans for food sales with the Market Manager before proceeding with their plans.

Service clubs and other recognized non-profit organizations may sell raffle tickets and/or tickets to their events or activities such as the Fourth of July Barbeque, Dream Dollars, Garden Tour, and the Home Tour. Prohibited items include jewelry, toys, books, and unrelated items that do not represent the non-profit organization's branding or name

Please provide full description of activities taking place. (list any special equipment you will be using/number of people working booth) Use 2nd page if needed.
